Hello! I'm Bob Dolphin.

As president of the Student Council for 1953-54, I feel
it a pleasure to give you a picture.

THE CHART ... 1954

HAMMOND TECHNICAL VOCATIONAL
HIGH SCHOOL

HAMMOND TECHNICAL VOCATIONAL HIGH SCHOOL

And it makes a beautiful picture
—this building called Tech:

buff brick

generous glass windows

modern design
with one of the nation's clean-
est communities for a back-

A SOUTH KOREAN ORPHAN WAS IN THE PICTURE

Three hundred Tech girls in 1953-54 were foster parents to Kim Yong Hi, a 6-year-old Korean War orphan.

The girls, all in ten government, modern social problems, and history classes, adopted Kim. They contributed \$15 a month for the year for her support.

Kim Yong Hi was one of more than 100,000 war children in Korea separated from parents who were either killed by the enemy or lost in the confusion. The Foster Parent Association described Kim as a pretty child with bobbed raven hair and big black eyes, always bright and cheerful.

The foster parents have sent clothing as well as a doll and photograph album for Kim.

The sponsors of the adoption project were Miss Mildred Peehl and Mrs. Ethel Byrne.

A committee organized to send a Christmas package for Kim.

The purpose of the Safety Council was to make Tech's shops safer and to prevent small unnecessary accidents.

The Safety Council installed and maintained fire extinguishers in the school rooms and shops, gave first aid, made out accident and monthly safety reports and put up safety posters.

GEOGRAPHY CLUB

The Geography club of Hammond Tech was organized last year to promote interest in geographic activities.

Club activities for 1953-54 were: a trip to visit the Art Institute and to see the "Robe"; a Christmas Party at Marlene Smith's home; collection and delivery of clothing to the Bethany Home for Children; the viewing of slides on Northeastern U. S. shown by Miss Moengen; a trip to visit the Fields' Museum and to see Walt Disney's "The Living Desert"; and the viewing of slides taken by Mrs. Parre of her trip to Europe.

MONITORS

The Monitor Club was an honorary club consisting of junior girls. They were chosen by their classmates according to good scholarship, dependability, and a sense of responsibility.

Duties of the Monitors for 1954 were to help keep the cafeteria line moving smoothly, to aid in the flow of traffic through halls, and to guide visitors around the school. The Monitors this year also ushered at the Indiana Teacher's Association Conference that was held in Gary.

On duty the girls wear brown and gold arm bands.

VISUAL AIDS

The fourteen projectionists' jobs consisted of running seven audio-visual machines.

The machines used were: a 16mm. sound projector, a slide projector, an opaque projector, a tape recorder, a visual cast overhead projector, a phonograph, and the public address system.

Their other duties were to check films in and out, oil the machines, and set up machines in classrooms.

DRAMA CLASSES

The play given April 26 through April 30 for the American Childhood Education Organization was "The Emperor's New Clothes." Twenty-one performances were given for grade school children throughout the city.

The drama course included the following: pantomime, voice and diction, characterization, fundamentals of play productions, stage design, scene building and painting, lighting, make-up, costuming, radio drama, listening to and evaluating speeches, plays heard on T.V. or on the radio, and acting.

LITTLE THEATER

The object of the Little Theater was to further an interest in and an appreciation for good theater; to help the student develop poise, clear-cut enunciation, and develop an awareness of the world about him which will help him interpret a part; to learn to give and accept criticism wisely; to develop an understanding of his fellow-man.

Activities for 1953-54 were: three theater parties, "Oklahoma", "Wish You Were Here", and "Time Out For Ginger"; The group presented a three-act play for the student body in May, also participated in the Christmas program for the P. T. A. Little Theater meetings were held every Wednesday.

THESPIANS

The National Thespian Society was an honorary society which was open to students who have done 100 hours of work outside of school hours on a production. Each year a Thespian must earn at least 10 hours in order to stay eligible for membership. Tech's troupe number is 1215.

Meetings were held the first Tuesday of each month.

Students initiated in 1953-54 were: Kovacik, Bolling, Lorange, Luce, Biesen, and Riebe. Other members were: Mills, Worwa, Robinson, and Weak.

TECH TIMES

Once every three weeks the Tech students received a copy of their high school newspaper **The Tech Times**. The newspaper contained news of school events that had taken place and information about coming events such as dances, athletic events, concerts, assembly programs, and class projects. It attempted to reflect the life of the students.

The paper was written and typed by members of the staff and mimeographed with the help of the commercial department.

A staff of competent seniors were responsible for the editing of the stories and a staff of beginners was trained to produce **The Tech Times** for next year.

WE PUT THE CHART OUT

"You Were In The Picture" was the theme for the 1954 Chart. The Chart staff chose the theme to emphasize the school spirit and enthusiasm of the student body in school work, activities, and sports.

The editorial staff was headed by LaVera Gillespie, editor-in-chief; Sharon Hudspeth, managing editor; Harold Gerike, photography and art editor; Beverly Juhasz, activities editor; James Hopper, sports editor; Marcella Bakota, class editor; Beverly Kiger and Ted Wilkins, editorial assistants.

On the business side, Beverly Barton was business manager, with Lois Mauger as bookkeeper and Pete Certa as business assistant. Advertising salesmen were: Rosemary Koch, Lena Lou Harris, Eileen Jewett, Charles Tharp, Roman Bender, Sally Krownland.

Agents who sold Charts in advisories were: Marvin Luchene, Lois Harvey, Tom Meyer, Lonnie Porter, Cecilia Anderson, Maurice Rinehammer, Margaret Hart, William Brehmer, Ken Tucker, Joe Atkinson, George Abbott, Marilyn LaNear, Lorry Beavers, Alice Consoer, Pat McCambridge, Sandy Tribble, Rose Champion, Doyle Brown, Joyce Archambeault, Anthony Lach, Donna Hansen, Ralph Rossnogle, Shirley Davies, Erna Lee Helfen, George Blummer, Eunice Johnson, Lloyd Good, Mory Ann Warren, Sharon Duykers, Nelda Fentress, Judy Naugle, Beverly Juhasz, Lucy Falusi, Donna Wohl, Bob Haley, Sally Krownland, Pat Gronger, Ronald Millies, James Hopper, Brent Shelton, Frank Macewicz, Dick Abell, Nancy McCysne, Harold Gerike, Shirley Worwa, Bill Boyaa, Charles Tharp, Clarence Fleming.

The staff and sponsor, Mr. K. E. Clyne, gratefully acknowledge the excellent co-operation of the King Publications Incorporated, and Bodie Photographers, as well as the members of the school faculty.

TECH'S SPORTS STORY FOR 1953-54 . . .

Varsity Football

The 1953 season was a dismal one, said Coach Carlson, but the outlook for 1954, '55, and '56 was a bright one, if Varsity could look to a promising '53 Fresh team for future good material. The 1953 Varsity record: two wins and seven losses.

The team's chances were hurt early in August when Demas, Settlement, Grigido, and Black were lost to the team because of injuries.

The Tigers started fast against Morton, beating them with ease, 39-7. Against Muncie, it was Muncie's game, 26-18. Tech outgained Hammond High 330 yards to their 120 but lost 8-0 on an interception. After losing to Roosevelt 38 to 7, the team came back to outlast Morace Mann, 21-13, with Brown scoring all three touchdowns on long runs. Washington maulled us 54-7 before we lost to Clark 14-12. The Clark game was one of the best of the season, said Coach Carlson, with Ford scoring both Tech touchdowns. Emerson won, 26-13, and Tech lost a heartbreaker to Thornton Fractional, 13-6.

Ford and Brown were considered by coaches and opposing players as two of the best backfalls in the Region. Ford was elected most valuable to his team.

Freshman Football

The 1953 Hammond Tech freshman football team completed a nine game schedule with a highly regarded 7-2 record.

The young Tigers, coached by George Bereolos, tied with Morton and Hammond High for championship honors in the City League.

After losing its opener to Crown Point 6-0, the Tigers fashioned a three game win streak before losing to Morton 13-6. Falling to the Brown and Gold were Thornton Fractional 24-0, Munster 39-6, and Irving 19-0. The city champ co-holders then proceeded to edge Clark 7-0, outlast Hammond High 12-6; brush aside Roosevelt 15-12; and defeat a previously undefeated Washington eleven 13-7. The rhinies then collaborated with the sophomores to whip a strong Thornton Fractional team 13-12.

Varsity Basketball

Coach Lou Birkett said, "Lack of height was a great handicap to the 1953-54 Varsity Basketball Team. Even though the season did not turn out very well, most of the games were well contested but lack of height proved too costly for us." The season record was one win and twenty-one lost.

"Team backing also suffered, but started to pick up toward the end of the season," Coach Birkett added. Over 1000 attended the Sectional.

"Most teams that lost as many games would have given up, but these boys kept on fighting until the end," Coach Birkett concluded.

B-Team Basketball

The season of 1953-1954 brought seven victories against eleven defeats for the Hammond Tech "B" squad.

Although they had four defeats more than they had victories the Bereolos coached squad outscored their opponents 628 to 618 which indicates the closeness of the games played by the team.

From this year's squad Coach Lou Birkett selected Ed Bilderbeck, Bill Boyda and Ken Fehlberg for the tournament squad.

Freshman Basketball

Coach Waite said that lack of outstanding material was the reason for the season record of 4 wins and 18 losses.

Those who received awards were: Colgan, Wilson, Crosse, DeWolf, Falta, Harwood, Montague, Richardson, Urbanczyk.

Cross Country

Coach Birkett quoted that the cross country results were only fair, but with most of the boys returning, next season should show better results.

The two seniors not returning were Roy McGill, captain; and Ronald Raduski.

One of the best prospects for 1954 was Eugene Mandzj, captain-elect. He showed great promise, so Coach said, by coming in first in the Tri-City Meet.

The Varsity competed in the Hobart Invitational with 17 schools. Tech finished 16th. In the conference at La Porte, Tech finished next to last. In the Tri-City meet at Hammond, Tech finished 6th. And in dual meets, Tech defeated Clark and Washington of East Chicago.

Varsity letter winners were: McGill, captain, Mandzj, Hudak, Zlatarich, Zymanski, and Raduski.

Track and Field

The 1953 Track and Field season was rather successful for the Hammond Tech cindermen, said Coach Bereolos.

After a rather mediocre indoor season which saw the Tigers finish in a tie for 9th place in the Conference Indoor, the boys came along and

scored 20 2/3 points, good for 4th place in the State Sectional Outdoor Meet.

Tom Ford, Tech hurdler and pole vaulter, broke one school record when he skimmed the 180 yard low hurdles in 20.9 seconds and tied another when he scored 11 feet in the pole vault. He also qualified for the Regional Meet along with the mile, relay team of Bofia, Hatfield, Strachan, and Brown. Brown also qualified in the 440 yard dash. The Tigers did not qualify any men for the State Track and Field Meet for 1953.

George Bereolos is the coach of the Track team and his assistant is Jerry Jelfchak.

FROSH - SOPH TRACK

Under Coach Jerry Jelfchak the Freshman-Sophomore team displayed talent that should assist the varsity teams in the future, said Coach Bereolos. During their season two school records were broken and one tied. Writing new records into the books were Ralph Russnagle in the shot put and Richard Warner in the high jump. The pole vault record was tied by Jim Stempkowski when he vaulted 10 feet.

Winning awards for freshman-sophomore track were: Beckett, Biggerstaff, Black, Davis, Grigido, Hemphill, Hlatko, Hudak, Hussey, Johnston, Mandzj, Nystrom, Peterson, Preda, Setmeyer, Shlomo, Stempkowski, Simons, Warner, Zlatarich, and Malacina (Manager).

Tennis

The tennis season turned out very well, said Coach Parson, the team winning 7 out of 8 matches despite the fact that prospects weren't too good; the team lost 4 out of 7 regular starters from the '52 team.

The opener was lost by a score of 4 to 1 to Hammond High. The Tigers then rose to the glory of winning all the following matches and so tying Hammond High for the Conference Championship. In the play off, however, Hammond won, 3 to 2.

Wrestling

By finishing second in the sectional and conference meets the wrestling team finished the season in excellent standing, said Coach Hoeman. The conference championship was lost by only one point.

Although the squad lost six seniors, the 1954-55 team, Coach said, would have some excellent boys returning. Those to return were: Jerry and Gerry Reeves, Steve Uyzanski, Harry Colios, and Ralph Russnagle. These were veteran wrestlers.

Also John Beyer, Chester Setmeyer, Cecil Daves, Franklin Boren, Bill McCullough, Pat Fulejo, Jerry Hendrix.

The team needed men in the 133-165 pound class for the 1954-55 season, Coach Hoeman concluded.

MAJOR LETTER WINNERS

Baseball

Lack of pitching and hitting were reasons given by Coach Waite for the poor season of 4 wins out of 22 games played.

But there were some bright spots such as Chrisulocky hitting an average of .388 which placed him in the conference's top ten; also the team's scoring of 18 runs in one inning against Lew Wallace.

Because of the large number of men returning who will have more experience, the Coach predicted that future seasons should be brighter.

GOLF TEAM

The golf record for the 1953 season was 9 wins and 2 losses. Tech defeated Lew Wallace, Clark, Crown Point, Valparaiso, and Dyer twice. They lost twice to Hammond High.

Tech finished 13th in the LaPorte Invitational and 14th in the LaPorte sectional.

Following the boys were awarded major letters: Bob Boyda, Bill Boyda, Anthony Loch, Richard Muehlman, Ronnie Pirau, and Fred Wanicki.

Returning lettermen were: Bob Boyda, Bill Boyda, Ronnie Pirau, Tony Lock, Dick Muehlman, Nick Burbich, and John Djeka.

FAREWELL IN 1954 AFTER 18 TIGER TEAMS STATE CROWN

Lou Birkett, Tech's basketball coach for the last eighteen years, in 1953-54 retired from coaching. Coach Lou Birkett was the only coach to bring a State basketball championship to this region.

Coach Birkett was born in Hazel Green, Wisconsin. He attended the State Teachers College and the University of Wisconsin playing basketball and football for the State Teachers College. He coached at Franklin Jr. High for over six years and Hammond Clark for four years. Coach Birkett then came to Tech in 1936 to replace Chet Kessler who was then coaching here but went to Hammond High for another basketball coaching position. If asked what his biggest thrill in coaching was, Coach Birkett would always reply, "When Tech took the 1940 Basketball Championship."

ROSENAU - Athlete of the Year

Paul Rosenau, voted year's outstanding athlete, earned major letters in the following sports: two in basketball, two in baseball, and one in cross country.

An average student, Paul's strongest points were his willingness and dependability. He has contributed a great deal to the athletic program at Tech. Coach Birkett said, "Paul is the most improved boy I have ever seen."

His average score per game was eleven points. We are all proud to have had Paul as a member of our Senior Class.

GIRL'S ATHLETIC ASSOCIATION

Purpose of the G. A. A. was to provide physical education activities for all girls interested in athletics.

Activities sponsored during the year were: soccer, speedball, volleyball, basketball, tumbling, bowling, swimming and softball.

For each activity, one girl was chosen to serve as leader. This year they were: Karen Schmidl, Edna Lamberson, Barbara Mulvihill, Janice Arnold, Sue Faith, and Sandra Love.

Tech G. A. A. is a member of the Indiana League of High School Athletic Associations.

Special events sponsored were a basketball clinic, Christmas party, Fall Leadership Camp, bike-hike, and two initiations. Barbara Mulvihill, Sue Bradley, Edna Lamberson, Sue Faith, and Sandra Love represented Tech at the basketball clinic which was held at Valparaiso University.

Beverly Junkens and Miriam Costanza attended the All-State Leadership Camp at Delphi, Indiana.

Recognition was given to the outstanding G. A. A. member for the year; it was awarded to Beverly Junkens in 1953-54.

Miss Nisle was faculty sponsor of the group with 40 girls.

CHEERLEADERS

Girls are selected for cheerleading from a large number who "try out" and are judged by a panel of teachers, coaches, and student representatives. Selection is based on personal appearance, poise, agility, grades, and leadership ability.

Once on the squad, each girl must work hard to stay eligible and keep her coveted position. She must maintain a B B C average in all her subjects, must be regular in school attendance, must practice several hours a week with the cheerleading squad, and attend all games and business meetings.

PEP CLUB

Pep Club's principal activities consisted of united efforts in cheering at football and basketball games.

"Sweetheart Swing," soc hop, was February 19. The Sweetheart chosen by popular vote was Donna Beckwith.

Mrs. Jones was the faculty sponsor.

Serenade

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.

Madura's Danceland

— Written Especially About Our Floor —

"DANCE WHILE YOU'RE YOUNG"

BECAUSE this floor was once a tree
We bring you this story in poetry
A tree that toppled by a woodman's ax
Lives once again under a film of wax

PRAISE they heap about bands galore
Not one word about a ballroom floor
Something to dance on is taken for granted
To be a Maplewood floor—once a tree was planted

SHORN from its bark and shiny leaves
Now an air-cushioned floor that actually breathes
Let's join together and drink a toast
To a floor that's known from coast-to-coast

"DANCE WHILE YOU'RE YOUNG"

IT'S sleek and smooth with a golden glisten
What tales it could tell but prefers to listen
Ballroom lights that shine at night
Reflect a glow like candlelight

YES, Danceland's floor was once a tree
That stands today as a symphony
The floor at Madura's is all the rage
To tell the truth it improves with age

Five Points, Calumet Avenue and Indianapolis Boulevard, Hammond
